

Restraints

- Only being able to use Wordpress
- There is a limited timeframe for the Project, fast paced
- There is limited experience with Wordpress within the group
- There are time differences between us, and so we may submit work at different times
- There are differences to what we want on some areas
- Misunderstanding within some parts of the list within UR Courses
- Working at different paces, so collaboration can get hard at times
- The charities and events are limited to Saskatchewan
