

| Says | Does | Thinks | Feels |
|--|---|---|--|
| Be able to collab with others and other charities for various opportunities | Be able to work with companies and write funds with any amount | "I want to make a difference" | It's too hard to give money to a cause at times |
| Work with others on finding grants for my organization | Be able to access places and links easily | "I want to know that my money is going to the right place?" | These are big opportunities that can help my community |
| "I struggle with finding information from many other sites, too much going on" | Places where we can see recaps and important information on missed events | "Is this the right place for me to be making these funds?" | Through this, I can share my story so others can be inspired and heard |
| "My money and time are low, but I still want a way to contribute" | | "How much is there for me to do to give?" | I am scared, but hopefully they can give me support |
